

Countertop cooking

USA TODAY NETWORK

Homeowners with small kitchens, economy-conscious chefs and frequent entertainers will appreciate portable cooking devices. Augment your existing stove and oven or use these items on their own.

■ KitchenAid's KMC4241CA 4-quart multicooker has 10 different settings and lets you make such diverse dishes as risotto, soup and yogurt. **\$199.99** at webstaurantstore.com.

Roast, fry and bake

■ Hamilton Beach's countertop oven has convection capabilities. Bake a cake, cook pizza or roast a chicken. **\$99.99** at wayfair.com.

■ Kalorik's Dual Zone air fryer does much more than the name implies. It also grills, roasts and bakes. **\$132.09** at lowes.com.

■ The Bella 10-liter convection fryer is also a dehydrator and rotisserie. **\$139.99** at amazon.com.

■ Brown, steam, cook and warm food in the Crux 8-quart programmable cooker. **\$99.99** at macys.com.

■ Brown then slow-cook with the Cuisinart Cook Central. **\$159.99** at bedbathandbeyond.com.
